The Recording Academy™, in concert with some of the nation’s most prominent entertainment attorneys, established the Entertainment Law Initiative® to promote discussion and debate about the most compelling legal issues facing the music industry today.

Now in its 20th year, the program has grown to include a national writing competition, mentor sessions, and a GRAMMY® Week event. ELI continues to foster future careers in entertainment law by seeking out the nation’s top law students and giving them invaluable networking and educational opportunities.

Co-sponsored by the ABA
Forum on the Entertainment and Sports Industries

For complete ELI Writing Competition rules, deadlines, ELI event tickets, and more information, visit GRAMMY.com/entertainment-law-initiative or email eli@grammy.com
