Heartland Diversity Legal Job Fair

Why Students Attend

"The HDLJF was one of the best job fairs that I have attended. It was very well organized, and most importantly, the employers were committed to hiring students from the job fair. I also felt like the job fair was a sincere effort to diversify the legal practice in Kansas City."

"I never would have discovered Kansas City without it."

"Very nice event; I would certainly recommend it to others. The entire experience showed me that Kansas City has a great legal community anyone would be proud to be part of."

"I was able to see the commitment of the Kansas City area and its firms to diversity. I feel more comfortable practicing law here, knowing that diversity is valued and encouraged."

KCMBBA Diversity Action Plan

In 2003, the Managing Partners Committee of the Kansas City Metropolitan Bar Association developed and implemented an action plan to promote diversity in the Kansas City legal community.

As a result of the Action Plan, a number of efforts were launched; including the Heartland Diversity Legal Job Fair (HDLJF) hiring of a KCMBBA Diversity Coordinator, numerous panel presentations to the Bar, clerkship programs and general promotion of increased awareness of the value and importance of diversity in our profession.

These efforts have yielded significant progress. The participating firms reported the following gains from 2004 to 2008:

- the number of attorneys of color increased from 71 to 103
- the number of attorneys of color at the partnership level has increased from 16 to 26.
- the number of African American attorneys has nearly doubled, increasing from 29 to 52.
- the number of women attorneys has increased from 448 to 521.
- the number of women attorneys at the partnership level has increased from 116 to 142.

Still, more work remains to be done, and we wish to recommit ourselves and broaden the definition of diversity to be more inclusive. Therefore, in addition, and also consistent with the goals and objectives of the original Action Plan, the member firms acknowledge that efforts to promote diversity must reflect a definition of diversity that is broader than race or ethnicity. The member firms agree that "diversity in its broadest sense" which the member firms commit to promote includes, without limitation, race, color, religion, gender, gender identity, sexual orientation, national origin, disability, marital status, age and veteran status.

Helpful Information

Interview Process

The interview process will be conducted on a 50/50 scale. Employers will pre-select one-half of the students whom they wish to interview. The remaining one-half of the interview schedule will be filled based on lottery. All interviews will be conducted at the Crowne Plaza Hotel in individual guest suites. Interviewing will begin at 8:30 a.m. on Saturday with a keynote luncheon.

Registration, Diversity Panel & Reception

We will kickoff the event with registration, a diversity panel discussion featuring some of Kansas City's finest up-and-coming diverse attorneys and a welcome reception on Friday, August 5th.

Resource Center

The HDLJF Resource Center will be open from 7:30 a.m. to 4 p.m. on Saturday. Ambassadors from area law firms, legal associations and businesses will be available to answer your questions. HDLJF Ambassadors will be available to accommodate changes in schedules and place students in open interview spots.
